Crude Fiber	40% Max
Crude Fat	0.5% Min
Ash	8% Max.
Nitrogen Free Extract	38% Min

Ingredients:

100% Sugar Cane Fiber

Appearance:

Brown-colored pellets with a characteristic sweet aroma.

Feeding directions:

Offer 1–5 kg of product mixed into the daily ration (consult with your veterinarian or animal nutritionist).

Target species:

Cattle, sheep, goats, and horses

Packaging:

25 kg polypropylene bags or bulk.

Caution:

Do not use Novafibra as the sole source of nutrition; this is a supplement and consult with a qualified nutritionist.

Storage and shelf life:

Store in a cool, dry place away from direct heat. Keep the container tightly closed when not in use and protect from rodents, insects, and other pests. Stack on pallets; never store feed directly on the floor or in contact with walls. This product remains stable for 2 years from the date of manufacture.
